

Rocklin Police Department

Annual Report

2010

Dear Rocklin Resident,

Welcome to the Rocklin Police Department 2010 Annual Report. Like most communities, Rocklin has experienced a slow economy and shrinking revenues. The police department has done its part in trimming costs through the reduction in manpower, about 16 positions since 2007, and by finding other economies in operating costs.

Despite shrinking resources, department members have continued to perform admirably for the community. The continued commitment and professionalism has resulted in continued positive recognition from the community and a crime rate has remained low again this year. Most notable was the increase in employee commendations and the complete absence of citizen complaints for 2010. This is the first time in my career I have experienced "0" formal citizen complaints over the course of a calendar year.

The police department was recognized for its volunteer program by Governor Schwarzeneger, as California's Service Group of the Year for 2009, and then by the International Association of Chief's Police for Outstanding Achievement. In 2010, About 120 police volunteers donated over 14,000 hours of service to the community. Frankly, we could not have served the community to the level it expects without their help.

This is my last Annual Report as Chief of the Rocklin Police Department. It has been my honor to serve this community along side of the many honorable members of this department for the last decade. We have worked hard to build a sustainable system that strives for excellence. It is my hope that systems serves this community well into the future.

Best Wishes for Future Successes,

Mark J. Siemens
Chief of Police

Office of the Chief

The Office of the Chief is made up of the Chief of Police and his immediate staff. This office is responsible for fostering an environment that empowers leadership, promotes vision, and creates strategy while securing the resources to execute the Department's mission and achieve our goals.

The Office of the Chief serves as the primary administrative, fiscal, planning and research entity for the Department. Personnel provide professional administrative support to the Chief and the other divisions. In 2010 the Police Department budget was 12.5 million dollars.

The Commission on Accreditation for Law Enforcement Agencies (CALEA) accredited the Rocklin Police Department in March 2008. Rocklin joins only five other municipal law enforcement agencies in California to achieve accredited status. The CALEA accreditation process provides law enforcement agencies an opportunity to demonstrate that they meet an established set of national standards. Participation in the CALEA process is voluntary, yet important. It assures the citizens of Rocklin their police

department is among the best in the nation. Rocklin joins a very elite group of law enforcement agencies across the United States to have received accreditation status, as fewer than 4% of all law enforcement agencies have completed the process. Reaccreditation occurs every three years and after preparing since our initial accreditation, we are very proud to report that we were successful in being re-accredited in 2010 for another 3 years.

Operations Division

**Captain
Dan Ruden**

The Officers and Professional Staff working in the Operations Division are the most visible of police personnel and have the responsibility of being first responders to all police calls for service. Patrol Officers must be prepared to handle emergency and routine calls for service, traffic accidents, initial criminal investigations and narcotics offenses. Animal Control Officers must be able to handle a variety of call types including dangerous animals, barking dog complaints, loose dog calls and ensure dogs are properly licensed. In addition, we enforce federal, state, and local laws, make public contacts, problem solve, write reports, collect and preserve evidence, testify in court, and maintain proficiency in crime prevention and crime reduction strategies.

PATROL

The patrol unit is organized into four main shifts plus overlap or relief shifts and includes two Lieutenants, four Sergeants, four Corporals, twenty-four Patrol Officers, Reserve Officers, one part-time code enforcement officer, two Animal Control Officers, and two Community Service Officers. Two of the patrol officers serve as canine handlers and one officer is assigned part-time to the Placer County Air Operations helicopter.

Operations Division

Traffic Unit

Traffic safety is achieved through engineering, education and enforcement. Our residents consistently tell us that traffic is one of their biggest concerns. Traffic Safety is the main objective of the Traffic Unit. The Traffic Unit works closely with the City Public Works Department and the community to identify and resolve traffic concerns. In 2010, the Traffic Unit successfully obtained State traffic safety grant funding for extra enforcement activities, such as DUI Checkpoints, warrant sweeps and special area-saturation patrols. The Traffic Unit is comprised of three motorcycle officers and a Traffic Clerk.

The use of motorcycle officers is a key element of the Traffic Unit's strategy to address neighborhood traffic concerns and impact driving behavior. Our motor officers focus their efforts on high visibility activities, such as traffic stops, regional traffic enforcement activities, and concentrated DUI enforcement. In 2010, the motorcycle officers in the Traffic Unit made over 2,900 traffic stops and issued 2,732 citations. In 2010, the Traffic Unit processed 63 specific neighborhood traffic complaints from City residents. The Traffic Unit systematically responds to each traffic complaint it receives by analyzing real-time engineering data, collisions, and previous complaints and then works with neighbors to isolate the problem. This approach allows the Unit to effectively focus enforcement resources to have the biggest impact on driving behavior.

Traffic Unit (cont)

The City of Rocklin's red light photo enforcement program captured 1,259 red light violations in 2010. The program uses automated camera systems and sensor devices to detect vehicles entering an intersection during a red light. This program has proven to reduce red light violations citywide. Rocklin currently has red light cameras at two intersections, Park Drive & Sunset Blvd. and Rocklin Road at Interstate 80.

Animal Control

Rocklin's Animal Control Officers (ACO's) provide 7 day-a-week mobile coverage for Rocklin residents' animal service needs. ACO's enforce State and local animal laws and ordinances. In addition, the ACO's educate owners on the importance of dog licensing and care and control of domestic pets. The job of an ACO varies from answering questions regarding wild turkeys to assisting residents with neighborhood nuisance barking dogs, to reuniting lost animals with their families.

Animal Control

- 3,328 animal calls during 2010
- 220 animal citations were issued

Code Enforcement

The Police department has shared responsibility for monitoring certain municipal code compliance in the City. A part-time Code Enforcement Officer responds to neighborhood

Code Enforcement

- 413 Cases/Complaints Opened in 2010
- This was a 25% increase from 2009

nuisance complaints and monitors sectors of the City for signs of emerging blight. The Code Enforcement Officer coordinates with Patrol officers, the Volunteer force and other municipal service agencies to build a multidisciplinary response to many neighborhood problems.

Operations Division

ROCKLIN-ROSEVILLE SWAT AND CINT TEAMS

In 2004, the Rocklin Police Department began a partnership with the Roseville PD for a regional Special Operations Team consisting of SWAT (Special Weapons and Tactics) and a Crisis Incident Negotiations Team (CINT). Each Department dedicates Officers to the team as a collateral duty assignment. Currently, the Rocklin Police Department has six Officers assigned to the SWAT Team and three Officers assigned to the CINT Team.

Officers assigned to the teams can respond to critical incidents 7 days a week / 24 hours a day. Critical incidents might include barricaded suspects, hostage situations or high-risk arrests and search warrants. Officers are available to respond to incidents in both of the participating jurisdictions or to assist in other jurisdictions upon request. Due to the specialized skills required for both teams, members participate together in regular, intense training. This partnership has proven to be a very effective use of equipment and manpower for each agency.

The Operations Division also has a rapid-response perimeter team that can assist in high-risk critical incidents if necessary. This team, made up of specially trained patrol officers, can quickly take over safety perimeter assignments at a critical incident, allowing patrol officers to return to their normal duties servicing the rest of the City.

AIR OPERATIONS

A Rocklin police officer flies one day a week with the Placer County Air Operations Unit. The Rocklin flight officer provides local familiarity during air support operations in Rocklin such as response to crimes in progress, pursuits, and missing person searches.

Support Services Division

**Captain
Ron Lawrence**

The Support Services Division consists of six units:

Youth Services

The Youth Service Unit (Y.S.U.) is comprised of one sergeant and four uniformed police officers who are assigned to the campuses of Rocklin high schools and Sierra Junior College.

The Police Department enjoys a strong relationship with the Rocklin Unified School District. Two uniformed police officers are assigned to work full-time as School Resource Officers (SRO's) at the high schools and part-time at the middle schools, providing an approachable presence to students and staff, assisting to maintain a safe and secure learning environment. Additionally, a ½ time sergeant provides supervision and oversight to the SRO's.

Support Services Division

Youth Services (cont.)

In addition to being on campus during school hours, the SRO's have become a friendly face to students and staff at school functions and sporting events. The School Resource Officers provide support to the Investigations Unit, investigating youth related crimes, missing juveniles & teenage runaways. During school breaks, the SROs augment the Investigations Unit by performing youth related enforcement and investigations.

During 2010, the Youth Services Unit, in conjunction with the Placer County's District Attorney's Office and Probation, established a juvenile diversion program in Rocklin to enhance our ability to address youth related crimes through education & community service. This program diverts first-time juvenile criminal offenders away from the court system and provides excellent alternatives to incarceration and/or probation by assigning juvenile criminal offenders to educational classes, community service and binding them and their parents to a contract in-lieu of incarceration.

Youth Services Unit

- **1,758 Incidents at the High Schools and Middle Schools**
- **949 Officer Initiated Incidents by YSO Officers**
- **143 Reports taken at the schools by the YSO Officers**

In addition to providing SRO's at the high-school campuses, the Police Department has a contract with Sierra College to provide police services for the Rocklin campus. Assigned on the main campus are two uniformed police officers from the Youth Services Unit and a ½ time police sergeant, all funded by the College.

Support Services Division

During 2010, the Youth Services Unit in conjunction with Sierra College Security and the Administration of Justice program began offering students an opportunity to intern with the Rocklin Police Department and Sierra College Security. This program, administered jointly by the Youth Services Unit and the College, allows college students the ability to explore a career in law enforcement while obtaining college credits.

Having Rocklin police officers integrated onto the college campus has allowed for a stronger relationship between the estimated 18,000 students, college staff and the police department. The officers presence on campus and their immediate intervention provides for greater security and a safer campus environment. Rocklin officers have been well received by both students and staff.

The Task Force is funded by a DMV tax on vehicle registrations throughout Placer County, and their mission is to reduce automobile theft. Working in an undercover capacity, the RATTF made many arrests during 2010.

Special Investigations Unit

The Special Investigations Unit (S.I.U.) is a countywide task-force comprised of detectives from Rocklin PD, Roseville PD, Placer County Sheriff's Department and the California Department of Justice, Bureau of Narcotics Enforcement. The mission of S.I.U. is to enforce narcotics laws and reduce illegal drug trafficking throughout the County and region. Operating in an undercover capacity, S.I.U. agents identify, track, and arrest drug dealers and seize illegal narcotics. During 2010, S.I.U. shared a small percentage of asset forfeiture from money, property and vehicles seized from

drug dealers throughout the State, to help fund the operation of the unit. S.I.U. also assists high-profile investigations providing undercover support to Rocklin PD and allied agencies.

POLICE VOLUNTEER PROGRAM

The Rocklin Police Volunteer Program creates a partnership between the Police Department and the community, and greatly improves the Department's capacity to provide quality service. Volunteers serve as extra "eyes, ears, and helping hands," but do not engage in contacting, detaining, or arresting suspicious persons or criminals. Volunteers are not permitted to carry weapons and have no powers of arrest beyond those of a private person.

Police Volunteer Program

- In 2010, 15 new Volunteers graduated from the Rocklin Police Volunteer Academy
- In 2010, Rocklin Police Volunteers donated 14,346 hours, which equates to a value of \$290,506*

* Value based on Bureau of Labor Statistics estimate of \$20.25 per volunteer hour

Since its inception in 2001, the Volunteer program has grown from 4 Volunteers to 118. The volunteer hiring process requires the successful completion of a volunteer application, oral interview, background investigation, Live Scan fingerprint check, warrant check, and a volunteer academy. The Volunteer Academy is mandatory for all new police volunteers and covers 50 hours of training over a 13-week time period. It familiarizes them with the different functions of the Police Department, and

provides specific training to help them become safe and productive volunteers.

The Volunteer Program allows the Police Department to undertake programs and projects that were previously not feasible due to a lack of available resources and staffing. Rocklin Police Volunteers perform a wide variety of functions and services including:
