

**STATEMENT OF CANDIDATE FOR  
ROCKLIN CITY COUNCIL**

**GREG JANDA**

**Age: 58**

**Occupation: Rocklin Mayor/Rocklin Businessman**

**Education and Qualifications:** I would be honored to continue serving the citizens of Rocklin as a member of our City Council. My family and I are committed to the city of Rocklin, where we live, attend church and my children attended school. I have volunteered for many years in community organizations, my children's schools and their sports teams. I served seven years on the Leadership Rocklin Steering Committee and am honored to have the support of many civic, community and business leaders.

Through my education in business and finance and operating a business for 23 years, I've developed strong financial skills and a management style of accountability. I will apply these skills as we work to strengthen our economy and provide essential services. I will work closely to keep existing businesses in Rocklin and encourage new businesses to locate here. I will commit all necessary resources to fund our police and fire departments to keep Rocklin safe and support parks and sports facilities that make Rocklin special.

Rocklin has many positives, but we can make improvements and create a better community for the future. I would be honored to have your support. For more information, please visit [www.GregJanda.com](http://www.GregJanda.com).
