**CITY OF ROCKLIN
TICKETS AND PASSES DISTRIBUTION POLICY**

I. Purpose

This policy governs the distribution of tickets and passes donated or given to and provided by the City. This policy is established in accordance with Section 18944.1 of the Fair Political Practices Commission (FPPC) Regulations, which sets forth the circumstances under which the City's distribution of tickets or passes to a City official does not result in a gift to the individual official.

II. Application of Policy; Website Posting

This Policy applies to the distribution of all tickets or passes: 1) received by the City, from either an outside source; or, 2) provided by the City for a City event held at a City Venue, that provide admission to a facility, event, show, or performance for an entertainment, amusement, recreational or similar purpose, pursuant to FPPC Regulation 18944.1(f). If other benefits, such as food, beverages or other items, are provided to the City official at the event and such benefits are not included as part of the admission to the event, those benefits are not covered by this Policy. This policy shall be posted on the City's website.

III. Definitions

Unless otherwise expressly provided in this Policy, terms in this Policy shall have the same meaning as that ascribed to such terms in the Political Reform Act (Government Code Sections 81000 et seq., as it may be amended from time to time) and the FPPC Regulations (Title 2, Division 6 of the California Code of Regulations, Sections 18110 et seq., as they may be amended from time to time.)

"City" shall mean the City of Rocklin.

"City Official" means every member, officer, employee or consultant of the City of Rocklin, as defined in Government Code Section 82048. Such term shall include, without limitation, any City board or commission member or other appointed official or employee required to file an annual Statement of Economic Interests (FPPC Form 700).

"City Venue" means any facility owned, controlled or operated by the City of Rocklin, including, but not limited to the Quarry Park Amphitheater and the Rocklin Event Center.

"Immediate family" means spouse, registered domestic partner and dependent children.

"Ticket" means "ticket or pass" and includes anything that provides an admission privilege to an event or function and for which similar tickets or passes are offered for sale to the public.

IV. Procedures for Distribution

A. Tickets received by the City from an outside source without designation as to the specific City official who may use the Tickets shall be forwarded to the City Manager or designee. The City Manager or designee shall determine the face value of the Tickets, the individuals who may use them, and report their distribution as provided in Section VII.

B. The City Manager shall have the authority, in his or her sole discretion, to establish procedures for the distribution of Tickets in accordance with this Policy. All requests for Tickets which fall within the scope of this Policy shall be made in accordance with the procedures established by the City Manager. In such case where the City Manager may use a Ticket, the City Attorney shall approve the use of the Ticket by the City Manager.

C. For Tickets received by the City pursuant to the terms of a contract or because the City owns or controls the facility or venue at which the event occurs or the City sponsors the event, a City official may request use of these Tickets, or for distribution to an individual or organization outside the City, by completing Parts 3 and 4 of FPPC Form 802 and submitting the request to the City Manager.

V. Public Purpose

The distribution of any Ticket by the City to, or at the behest of, a City official must accomplish a "public purpose" of the City. The City Council hereby finds and determines that the City will accomplish one or more of the following public purposes by the distribution of Tickets by the City to City Officials, or provided to third persons at the request of City Officials. This list is intended to be illustrative, rather than exhaustive, of the public purposes that may be served by utilization of Tickets by City Officials.

20. To obtain oversight of facilities or events that have received City funding or support.

VII. Ticket Reporting and Disclosure Requirements

Tickets distributed by the City to a City official shall be documented in a completed FPPC Form 802. The completed Form 802 shall be filed with the City Clerk and posted on the City's website in a prominent fashion within 30 days after the distribution. Such postings shall include the following information and any other information that may be required by the FPPC:

1. The name of the recipient, except that if the recipient is an organization, the City may post the name, address, description of the organization and number of Tickets provided to the organization in lieu of posting the names of each recipient;
2. A description of the event;
3. The date of the event;

4. The face value of the Ticket;
5. The number of Tickets provided to each person or organization;
6. If the Ticket was distributed at the behest of a City official, the name of the City official who made such behest; and

A Form 802 posted to the City's website shall be maintained on the City's website for a period of not less than four years.

VIII. Alternatives to Policy

As an alternative to complying with Section III through IIV of this Policy, a City official may either (1) ask that the City report the distribution of the Ticket as income to the City official and then treat the Ticket as income consistent with applicable state and federal income tax laws, or (2) report the receipt of the Ticket on their Form 700, if the value of the Ticket is over \$50 and the aggregate value of Tickets from single source in a calendar year is \$460 or less¹, as that amount may be amended from time by FPPC regulations.

¹ FPPC regulation 18940.2 established \$460 for the time period 1/1/2015 through 12/31/2016
