Chief Snyder,

The members of Local 3847 are in agreement with the proposed changes to the Battalion Chief qualifications as described below:

“*Course work in the State of California Chief Officer certification series is not required to be eligible for promotional testing or Out of Class appointment. Course work must be completed in order to be eligible for permanent promotion”.

On March 8, 2015 during a Rocklin Firefighter’s Local 3847 Union meeting, the members voted for the said changes.

Thank you,
