City Council Report

Subject: Subdivision Improvement Agreement and Infrastructure Warranty Agreement-Placer Creek Corporate Center

Submitted by: Marc Mondell, Director
Dave Palmer, City Engineer-Presenter

Date: April 11, 2017

Department: Economic & Community Development

Subject: Blue memo-item 11

The staff report indicated that the tubular metal fencing around certain open space parcels had not been completed and therefore was included in the Subdivision Improvement Agreement. All fencing around the wetlands has been completed and acceptable to the City and, per the attached exhibits, will be included in the Infrastructure Warranty Agreement.
