SUBDIVISIONS/COMMERCIAL/INDUSTRIAL

A. 1) IMPROVEMENT PLANS (PER CHAPTER 16.28, ROCKLIN MUNICIPAL CODE)

	6 sets of plans (7 sets required if Landscaping & Irrigation is part of project design)
	<p>Improvement plans (including landscaping plans) shall be on 24X36" sheets and shall include all appropriate design information as specified in the City of Rocklin Improvement Standards, and include but are not limited to the following information:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Name, address and telephone number of the project developer <input type="checkbox"/> Conditions of Approval from the Final Signed Planning Department Entitlements shall be included in the Notes Section of the improvement plans <input type="checkbox"/> Separate Fire Water Plan with applicable information as required by the City Fire Department <input type="checkbox"/> Separate Fencing Plan Exhibit with symbols depicting the various wall and fencing types as applicable (include denotation of walls requiring a separate Building Department permit-see section A.2 below) <input type="checkbox"/> Separate Landscaping Exhibit sheet with clear denotation of private versus public (City owned) landscaped areas as applicable
	2 copies Engineer's cost estimate breakdown of improvements included on the plans (Including private and public landscaping/irrigation, but not including sewer and domestic water) with 10% contingency added
	2 sets of storm drain calculations and watershed map
	2 copies of soils report
	2 sets of streetlight voltage drop calculations
	2 sets of structural calculations for retaining walls and sound walls
	Copies of Utility Letters showing transmittal of preliminary Improvement Plans to Utility companies
	<p>50% of plan check fee based on Engineer's estimate per City Fee Schedule F, Table A (Balance of plan check fee due prior to approval of improvement plans)</p> <p>Any reviews beyond the 3rd plan check will be charged at an hourly rate.</p>
	Landscape Plan Check/Inspection Fee: \$2,492.00 per Schedule F (for Landscaping in City Owned Land or Right-of-Way)
	100% of Inspection Fee per Schedule F, Table A (prior to approval of final improvement plans)

A. 2) BUILDING DIVISION PERMIT REQUIREMENTS ASSOCIATED WITH IMPROVEMENT PLANS

**Please note: All Building Permit Applications shall be submitted AFTER the approval of improvement plans (permits may be pulled individually or collectively by an appropriately licensed Contractor)*

Separate Building Permit Submittal and associated fees required for “Inspection Only” via:

[PROJECT CONTACT INFORMATION FORM](#) AND [BUILDING PERMIT APPLICATION](#)

in the following cases:

	Retaining walls 4’ and higher (<i>measured from bottom of footing to top of wall</i>) or retaining 3’ of earth, or walls supporting a surcharge (<i>to be determined by the City Building Official</i>)
	Site Sound Walls and Fences over 7’ high as measured from the lowest adjacent grade (<i>includes a combination of wall or fence on top of retaining wall over 7’ high</i>)

[SPECIAL INSPECTION AND TESTING AGREEMENT FORM](#)

Required in the following, but not limited to:

- Post-Tensioned designed Sound Walls
- Gravity Segmental Retaining Walls

(See Special Inspection form for comprehensive list of items to be inspected and tested. All applicable form sections are to be filled out and signed by 4 parties at the time of Building permit submittal)

Separate Building Permit Submittal and associated fees required for Plan Review and Inspection via:

[PROJECT CONTACT INFORMATION FORM](#) AND [BUILDING PERMIT APPLICATION](#)

with the submittal of the following:

- **4 copies of applicable design documents** (*with cover sheet clearly depicting the scope of work*)
- **2 copies of supporting documents**

	Common Use Area Amenities: for Americans with Disabilities Act (ADA) accessibility compliance and approval of any Common Use Area Structures (<i>includes play equipment, shade structures, trellises, benches, picnic tables, etc.</i>)
	Vehicular and Pedestrian Entry Gates: Electrical and Structural details and calculations, including “Opticom” access system for Emergency Vehicle Access
	Privately owned and Maintained Site and Street Lighting: Electrical and foundation Design (<i>includes Common Use Area lighting, lighted bollards, etc.</i>)

UPON IMPROVEMENT PLAN SIGN-OFF BY CITY ENGINEER, PLEASE PROVIDE:

- 2 sets of full size bond (3 full size bond required if project has public landscaping)
- 2 sets of 11X17” bond
- Plans in PDF format on CD or via email link

Please note: Approval of improvement plans DOES NOT constitute a bond reduction for work done prior to recordation of the Final Map

UPON PROJECT CONSTRUCTION COMPLETION (*Subject to approval by City Inspection*) AND PRIOR TO CITY ISSUANCE OF A “NOTICE OF COMPLETION”, THE FOLLOWING ITEMS SHALL BE FILED WITH THE ENGINEERING DIVISION:

- Lot Pad Certification block signed on Grading Sheet: 1 set of full size bond, 1 set of 11X17” bond, and pdf format
- 1 set of record drawing plans for review and approval by City inspection in pdf format
- Monuments to be set per the Final or Parcel Map & their placement verified by City Inspection

B. FINAL MAPS (PER CHAPTER 16.24, ROCKLIN MUNICIPAL CODE)

	5 sets of Final Map on 18" x 26" sheets (Planning File # on map)
	Final Map checking fee: \$8,009.00 (Fee Schedule F)
	Boundary, lot and street closures
	Preliminary Title Report (not more than 6 months old) with pdf copy provided with hyperlinks to documents
	Other pertinent documents as deemed required by the City Engineer

AT PROJECT COMPLETION PROVIDE: A full size mylar copy and an electronic copy of the map in a pdf format

C. PARCEL MAPS (PER CHAPTER 16.20, ROCKLIN MUNICIPAL CODE)

	4 sets of Parcel Map on 18" x 26" sheets (Planning file # on map)
	Final Commercial Parcel Map Check: \$5,799.00 (Fee Schedule F)
	Final Residential Parcel Map Check: \$2,407.00 (Fee Schedule F)
	Boundary & parcel closures
	Preliminary Title Report (not more than 6 months old) with pdf copy provided with hyperlinks to documents
	Other pertinent documents as required

AT PROJECT COMPLETION PROVIDE: A full size mylar copy and an electronic copy of the map in a pdf format

City of Rocklin Engineering Division

3970 Rocklin Road , Rocklin CA 95677
(916) 625-5140 Fax 625-5195

Engineering Plan Check Fees and Inspection Fees shall be charged on those items inspected by the City Engineer's Office as follows:

1. All improvements within the public right-of-way in the following categories:
 - a. Road Improvements
 - b. Drainage Improvements
 - c. Fire Hydrants
 - d. In addition to the improvements listed, any improvements subject to dedication to the City of Rocklin that are common in nature to the above shall be subject to the Plan Check and Inspection Fees.
 - e. Improvements required under Chapter 16 and Chapter 17 of the Municipal Code.
2. All improvements to private property in the following categories:
 - a. Grading that would require a grading permit under Chapter 15, Chapter 16, or Chapter 17 of the Municipal Code.
 - b. Grading within any subdivision or upon issuance of a building permit or use permit when a grading permit has been submitted to and approved by the City Engineer.
 - c. Retaining walls exceeding two feet in height or any structures to be used as retention of loading, in addition to earthloads or soil pressures.
 - d. All work involved in clearing, or construction requiring a permit under Chapter 15, 16 of the Rocklin Municipal Code.
 - e. All on-site paving for commercial, industrial, or multiple family development.
 - f. All drainage improvements.
3. Except as noted below, fees for the above-described improvements shall be calculated by applying the factor listed in the Fee Schedule or direct fee as noted in Schedule "F".
 - a. Plan Check and Inspection Fees shall not apply to items of water and sewer when inspected by SPMUD or PCWA. The Plan Check and Inspection Fees shall include the costs of fire hydrants.
 - b. The Plan Check and Inspection Factor shall be interpolated for project costs falling between the values shown.
