

SCIENCE.TECH. MAKER

Location for all classes

City of Rocklin - Johnson Springview Park
 Rocklin Community Center, 5480 5th Street, Rocklin

Enrichment Classes

SCIENCE SPECTACULAR (K- 2nd)

Matter, electricity, chemical reactions, OH MY!! Students will be immersed in a world of science and maker activities as they discover a variety of concepts throughout this program.

Date: February 24 - March 24 (5 weeks)

Time: Fridays, 3:30 - 4:30 pm

Price Per Student: \$60

ROBOTICS (3rd - 6th)

Blast into the future to explore the world of robotics! Students develop their skills in design and circuitry as they create robots that move and jiggle. We will use LEGO Robotics as an introduction and then move into creating bots using recycled materials.

Date: February 20 - March 20 (5 weeks)

Time: Mondays, 3:30 - 5:00 pm

Price Per Student: \$70

INGENIOUSLY FUN Spring Break Camp

April 10-14

CITY BLOCKS (K- 4th)

Build your engineering and design skills in not just one world, but two! At the "City Blocks" Spring Break Camp, campers will complete a range of architectural challenges both with physical materials, and in the digital world of Minecraft.

Date: April 10 - April 14

Time: Monday - Friday, 9:00 am - 3:00 pm

Optional Extended day: 8:00 am - 6:00 pm

Price Per Student: \$259

WILDLIFE WONDERS (K-4th)

It's tough growing up in the wild. Imagine what it's like as you discover the strangest things some North American creatures must do to eat, communicate, avoid predators and survive natural disasters!

Date: April 10 - April 14

Time: Monday - Friday, 9:00 am - 3:00 pm

Optional Extended day: 8:00 am - 6:00 pm

Price Per Student: \$259
