BUSINESS LICENSE - GENERAL INFORMATION

- ➔ **WHY DO I NEED A BUSINESS LICENSE?** The City of Rocklin imposes an annual tax on all businesses, trades, and professions operating in the City. The Business License Certificate is proof that the tax has been paid and must be up to date as a condition of conducting the business.
- ➔ **WHAT ABOUT ZONING?** Obtaining a Business License Certificate does not mean your business location has the proper zoning. **Before signing a lease** for the tenant space/building, you should check with the Rocklin Planning Department to verify that the intended use is in the proper location.
- ➔ **APPLYING FOR A BUSINESS LICENSE AS A MASSAGE OR PHYSICAL THERAPIST?** A copy of your State of California License and/or Certificate is required. If you do not have a CA MTO Certificate, you are required to apply for a City of Rocklin Massage License prior to applying for your business license. You can apply with Rocklin Police Department at 4080 Rocklin Road, Rocklin, CA 95677, phone number 916-625-5400.

SB1186 COMPLIANCE

On September 19, 2012 Governor Brown signed into law Senate Bill - 1186 which adds a state fee of \$1 on any applicant for a local business license or similar instrument or permit, or renewal thereof. The purpose of this fee is to increase disability access and compliance with construction-related accessibility requirements and to develop educational resources for businesses in order to facilitate compliance with federal and state disability laws, as specified.

Effective January 1, 2013, \$1 of the amount paid for new and renewal Business Licenses in the City of Rocklin is being collected to comply with this State Mandate. Under federal and state law, compliance with disability access laws is a serious and significant responsibility that applies to all California building owners and tenants with buildings open to the public (SB 1186, Section 15, 4469). You may obtain information about your legal obligations and how to comply with disability access laws at the following agencies:
