To: The City of Rocklin's Newest Citizens/Property Owners

RE: Welcome and Introduction to City Services

On behalf of the City of Rocklin I would like to formally welcome all property owners and residents within the Greenbrae area to the City of Rocklin. We are pleased to have you all as valued members and official partners in the City.

Important items such as non-conforming development standards, keeping of livestock, and parking of RV and accessory vehicles are allowable and have been addressed through the City's adoption of an Overlay Ordinance specific to this area to ensure that your lifestyle and development character has been protected. You can access a copy of the Greenbrae Overlay Ordinance on the special webpage we have created for you at www.rocklin.ca.us/Greenbrae

In addition, you will enjoy other benefits, such as enhanced police response, more convenient access to development services, and a greater voice in local government.

I have also attached contact information regarding various City services and departments that will be helpful to you. For more information on the City of Rocklin, visit our website at www.rocklin.ca.us.

Once again, welcome to the City of Rocklin! We are honored to serve you.

Sincerely,

Scott Yuill
Mayor
