FORM SUBMITTAL The owner or owner's agent, on the advice of the registered design professional in charge, must complete this form, secure signatures by all parties, and submit 2 copies to the City of Rocklin Building Division for review.

DUTIES AND RESPONSIBILITIES The owner and contractor acknowledge assignment of the following duties, responsibilities and conditions applicable to special inspection or testing:

Owner:

1. Ensures that construction complies with the approved permit documents and implements the program of special inspections.

Contractor:

- 1. Ensures proper notification to the special inspection or testing agency for items listed herein.
- 2. Reviews the Building Division approved plans for additional inspection or testing requirements. A pre-construction conference at the job site is recommended to review special inspection procedures.

Special Inspection/Testing Agency:

- 1. Sends copies of all laboratory reports and inspections to the Building Division and registered design professional in charge on a weekly basis. Only the testing laboratory may take samples and transport them to their laboratory.
- 2. Submits for the Building Division's approval an Inspector List that shows the names and qualifications of on-site special inspectors who are NOT on the City's pre-approved list.
- 3. Provides each special inspector with an identification badge that includes:
 - Name and photograph
 - Areas that the inspector is qualified to inspect
 - An authorization signature by the registered engineer who is a full-time employee of the agency
- 4. Provides the Final Report of Special Inspections that documents required special inspections and correction of discrepancies noted in inspections. A copy of this report must be kept at the job site for review by the City Inspector prior to final inspections. Per CBC section 1704.2.3, this report is required before an occupancy permit can be issued.

Special Inspectors:

- 1. Must have their badge visible when performing their duties.
- 2. Must immediately notify the City Chief Building Official upon encountering any concerns or problems.
- **3.** Must use only the City Building Division's approved drawings.

CONTRACTOR'S STATEMENT OF RESPONSIBILITY

California Building Code (CBC) Section 1704.4 requires the Contractor responsible for the construction of a main wind or seismic force resisting system, designated seismic system, or a wind or seismic resisting component listed in the Statement of Special Inspections—and including the structural tests and inspection schedule and as noted on City-approved plans—to submit a written statement of responsibility to the Chief Building Official and the owner prior to the commencement of work on the system or component. The Contractor hereby acknowledges this responsibility regarding special requirements as described in the Statement of Special Inspections, structural tests, inspection schedule, and City-approved plans and as prepared by the engineer of record or the registered design professional per the requirements of California Building Code Section 1704.3.

SEISMIC AND WIND RESISTANCE

SEISMIC REQUIREMENTS (CBC SECTION 1704.3.2)

Describe the seismic-force-resisting system and designated seismic systems subject to special inspections in accordance with CBC Section 1705.12 or 1705.13:

The extent of the seismic-force-resisting system is defined in more detail in the construction documents.

WIND REQUIREMENTS (CBC SECTION 1704.3.3)

Describe the main wind-force-resisting system and designated wind resisting components subject to special inspections in accordance with Section 1705.11:

The extent of the main wind-force-resisting system and wind resisting components is defined in more detail in the construction documents.
