The Housing Choice Voucher Program, funded by the U.S. Department of Housing and Urban Development, provides monthly rental subsidy to qualified, very low-income households to help reduce their rent payments.

This is not an emergency housing assistance program.

There is limited assistance available and there is a waiting list.

TO APPLY: Households must not exceed the following income limits:

# of persons in household	1	2	3	4	5	6	7	8
Maximum annual income	\$26,000	\$29,700	\$33,400	\$37,100	\$40,100	\$43,050	\$46,050	\$49,000

HOW TO APPLY:

Pre-applications will only be taken online at www.waitlistcheck.com/CA1217 You may apply using any computer with internet access. Someone else may apply for you if you need help using a computer. Paper copies of this form will not be accepted. Assistance is based on income verification, eligibility requirements, Roseville Housing Authority preference categories and selection in the lottery.

Regardless of the total number of applications received during the waiting list opening period, a computer-generated lottery will be run to place only 500 applicants on the resulting waiting list. After you have successfully applied, you may print a receipt with a confirmation number and instructions for checking your status online. Status information will only be available online and after November 20, 2017.

If your application is selected in the lottery, you will receive a letter in the mail outlining the next steps required to remain on the Waiting List.

If a person with disabilities is unable to access a computer to apply for the Waiting List due to the nature of their disability (and is unable to have someone apply online on their behalf) they may request a reasonable accommodation for assistance with the application process. The written request must be received by Roseville Housing Authority no later than 12 pm (noon) on September 22, 2017.
