Rocklin is one of the most expensive places to live anywhere throughout our region. Our local government hasn't done us any favors, continuing to raise taxes and raise our rates.

Meanwhile, Rocklin has become one of the most unfriendly business communities in Placer County, rezoning important commercial properties to high-density housing, increasing business taxes and losing out on revenue-generating businesses to our next-door neighbors in Loomis and Roseville.

We need business revenue; it creates the lifeblood that funds our public safety, fixes our potholes and repairs our sidewalks.

It's still business as usual in Rocklin, where ~~elected~~ leaders continue to operate as they always have, unwilling to make change for the betterment of its residents.

That changes with me.

As a longtime Rocklin resident and community advocate, I have worked ~~hard~~ to represent our community, advocating for our small businesses and residents. As a father of five, I strive to keep Rocklin a place where our families can thrive.

As your city councilmember, I promise to mix things up at City Hall by increasing revenue, funding public safety, fixing sidewalks, roads and potholes, alleviating congestion and ensuring our quality of life. I'd be honored to earn your vote. VoteMatthewOliver.com.

I would be honored to continue serving the citizens of Rocklin as a member of your City Council. My family and I are committed to the City of Rocklin, where we have lived for 21 years.

I have volunteered for many years in community organizations, my children's schools and their sports teams. I served seven years on the Leadership Rocklin Steering Committee and am honored to have the support of many civic, community, business and public safety leaders.

Through my education in business and finance and operating businesses for 27 years, I've developed strong financial skills and a management style of accountability.

I will continue to apply these skills as we work to strengthen our economy and provide essential services. I will work closely to keep existing businesses in Rocklin and encourage new businesses to locate here. I will commit all necessary resources to fund our police and fire departments to keep Rocklin safe and support parks and sports facilities that make Rocklin special.

Rocklin has many positives, but we can make improvements and create a better community for the future. I would be honored to have your support. For more information, please visit www.GregJanda.com.

Education and Qualifications: (Word count begins with your first word below.)

I am proud to call this vibrant City of Rocklin my home, and I have been honored to serve as a City Council member over the past two years. Rocklin is a city with beautiful parks, safe streets, and a balanced budget based on sound, conservative fiscal policies. My goal is to serve Rocklin for another four years and carry on the tradition of strong, measured leadership. As a father and criminal prosecutor, my priorities are clear: public safety, community events and recreation, and a sound economy.

For years, I have dedicated my time and volunteer hours to supporting small businesses, waterway cleanups, at-risk youth events, and many other projects that have made Rocklin the wonderful community that it is. I have always been dedicated to service; I am a founding member of the Rocklin Police Activities League, a Rotarian, and a veteran of the United States Coast Guard.

As a City Council member, I have proactively engaged with our neighboring communities, legislatures, and local elected officials to address crime, homelessness, energy costs, and recreation opportunities. Once reelected, I will continue to serve Rocklin with integrity, passion, and fiscal conservatism.

I submit this Candidate Statement of Qualifications for inclusion in the county voter information guide to be mailed to the registered voters of my district.
