CONVERSATIONS

on RACIAL HEALING

A series of nine weekly meetings to learn about and to discuss racism and racial bias. Designed to provide information on multiple topics related to race relations and to offer a safe place to share personal experiences regarding racism.

SHARE THE RICHNESS OF THE DIVERSITY AMONG US!

Explore your own experiences of racism or prejudice in a supportive, non-confrontational environment. Unlearn the out-of-date stereotypes that still affect our words and behavior so that we can all share the richness of the diversity in our community.
