

FIREFIGHTER/PARAMEDIC
Current Salary Firefighters MOU

DEFINITION

Under general supervision, provides medical services at the EMT-Paramedic level; performs all the duties of a Firefighter, including responding to fires, hazardous materials incidents, rescues, and other emergency and non-emergency situations; participates in all other suppression, prevention, inspection, education and related activities to protect life and property; operates and maintains fire fighting apparatus and equipment; performs fire station maintenance; serves in specialized departmental roles as assigned; provides information and assistance to the public; and performs related work as required.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from a Fire Captain and/or Fire Engineer. Exercises technical and functional direction to Firefighter/EMT and/or other fire personnel during emergency medical situations.

DISTINGUISHING CHARACTERISTICS

This is a specialist level class in the fire service. Incumbents are required to provide skilled paramedic services and perform all normal fire suppression, basic medical emergency, hazardous materials and other emergency response activities. Incumbents are expected to drive and operate a fire fighting apparatus and all other vehicles and equipment and perform the full range of duties of a Firefighter. This class is distinguished from Fire Captain in that the latter is the first supervisory level in this sworn class series.

EXAMPLES OF DUTIES, KNOWLEDGE, AND ABILITIES

Duties may include, but are not limited to the following:

- Responds to emergency calls and provides basic and advanced medical services; has responsibility for primary patient care; assists in the emergency transportation of patients to medical facilities as required.
- Responds to fire alarms, emergency rescues, hazardous materials incidents, public service calls or other incidents, which require the mitigation of circumstances that may threaten life or property.
- Drives and operates fire equipment, as necessary, and locates the apparatus at the proper place at the scene.
- Searches and rescues victims from buildings, motor vehicles, water hazards and other locations.
- Isolates and minimizes hazardous materials spills.
- Works closely with other emergency medical staff, including providing paramedic services as a paramedic; coordinates with police and public safety and fire personnel from other agencies; responds to mutual aid situations.
- Participates in investigations, clean-up, salvage and overhaul operations.
- Participates in the fire inspections of buildings and properties within the City on a regularly-scheduled basis.
- Maintains apparatus and vehicles in a clean and operable condition; performs minor maintenance and repair on equipment; reports the need for major repair.

- Maintains the station and living quarters in a clean and orderly condition; performs minor maintenance on facilities and station equipment.
- Participates in drills and training sessions.
- Develops and maintains effective working relationships with the community; presents a variety of educational and public services programs to children, youth and community groups.
- May coordinate specific program or project areas, such as EMT; first aid and related training for the City; hazardous materials, CPR and First Aid training; and specialty equipment acquisition and maintenance.
- Prepares reports; prepares and maintains logs, records and accurate files.

EMPLOYMENT STANDARDS

Knowledge of:

- Principles and practices of fire suppression, hazardous materials containment, rescue, clean-up and salvage
- Principles and practices of providing emergency medical care at the EMT-Paramedic level

- Use tact, initiative, prudence and independent judgment within general policy, procedural, and legal guidelines
- Meet the physical requirements necessary to safely and effectively perform the assigned duties

Minimum Qualifications:

Any combination of education and experience that would likely provide the required knowledge and skills is qualifying. A typical way to obtain the required qualifications would be:

Equivalent to graduation from high school. Additional specialized training in fire science or a related field is desirable and one of the following:

- A) California Firefighter I Certificate.
- B) Four (4) years full time fire suppression experience*
- C) Certificate verifying completion of a California State Fire Marshal Accredited Regional Fire Academy*

**If option B or C are used then a California Firefighter I certificate must be completed within 18 months of date of employment.*

GENERAL QUALIFICATIONS

Licenses, Certificates, and Registrations:

- A valid California Class C driver's license or higher with a satisfactory driving record at the time of appointment.
- A valid California Class B driver's license with Air brakes, Tank Vehicle, and Firefighter Endorsement within 18 months of date of employment.
- A valid California EMT-Paramedic License and be accredited through the local EMS Agency.
- Possession of a current Cardiopulmonary Resuscitation Certificate

Completion of Firefighter/Paramedic Task Book

The Firefighter/Paramedic Task Book must be completed within the 18 month probationary period. The completion period for the Task Book may be extended at the discretion of the Fire Chief.

Appropriate certificates must be kept current while employed in this class series; failure to obtain or keep current the appropriate certificates may lead to disciplinary action up to and including dismissal.

Physical Requirements:

Incumbents must possess mobility and physical strength and stamina to respond to emergency situations and use all emergency apparatus while wearing personal protective equipment; must demonstrate physical endurance, agility, strength, and stamina in the performance of hazardous tasks under emergency conditions; think and act quickly in emergencies; lift and move individuals or objects weighing more than 100 pounds; ability to work in a standard office setting and to operate motor vehicles; vision to read gauges, documents and street maps; accurate depth perception; ability to communicate verbally, including projecting a voice that can be heard in a noisy environment; ability to hear and distinguish various sounds, such as alarms, voices of co-workers and warning horns or sirens in both quiet and noisy environments; ability to stand, walk, bend and reach at, above or below shoulder height for extended periods of time; sustained concentration and prolonged commitment to job tasks.

Working Conditions:

Employees in this class must be able to work with exposure to emergency circumstances; work both inside and outside with exposure to all types of weather conditions, including odors, dust and pollen; exposure to chemicals, skin irritants, fumes and solvents; willing to work irregular hours and/or extended shifts as scheduled by the department; and work at various locations within the City of Rocklin.

Uniform Requirement: Incumbents are required to wear a designated uniform and personal protective equipment.

Criminal History and Background Check:

Candidates who have accepted a conditional offer of employment must pass a background investigation, including fingerprinting.

FLSA: NE

This job specification should not be construed to imply that these requirements are the exclusive standards of the position. Not all duties are necessarily performed by each incumbent. Additionally, incumbents may be required to follow any other instructions and to perform any other related duties as may be required by their supervisor.
