

## **PARKS DIVISION SUPERVISOR**

Salary Range: 37 (Public Service Salary Schedule)

### **DEFINITION**

The Parks Division Supervisor supervises the programs, activities, and personnel of the Parks Division, including maintenance and improvement projects related to parks, recreation areas, trails and open space, grounds, park buildings, structures, and landscapes; performs related work as required.

### **SUPERVISION RECEIVED AND EXERCISED**

The incumbent reports to the Park Services Manager and supervises assigned staff, including overseeing the work of contract personnel.

### **CLASS CHARACTERISTICS**

This is a single position, supervisory level class with overall responsibility for supervising the programs, activities, and personnel of the Parks Division. The incumbent directs the work of staff while personally performing the more complex work. This position is required to operate with considerable autonomy and is expected to make decisions with a high degree of independence.

### **ESSENTIAL DUTIES**

Duties may include, but are not limited to the following:

- Assists in the development of goals and objectives for the Parks Division.
- Assists in the development, administration, and monitoring of the Parks Division budget; determines and recommends equipment, materials, and staffing needs for assigned projects and activities; prepares detailed cost estimates with appropriate justification as required.
- Plans, assigns, directs, and reviews the work of assigned personnel engaged in park maintenance and improvement activities involving parks, recreational areas, trails, open space, grounds, park buildings, structures, and landscapes.
- Assists with Implementation of the Parks & Trails Master Plan, Trails Strategy & Action Plan and other related documents in coordination with other departments.
- Participates in the selection, training, supervision, evaluation, and discipline of assigned staff.
- Performs the most complex maintenance and construction duties as required.
- Provides training to assigned staff in the proper use and safe operation of equipment and materials, the safe and proper application of pesticides and herbicides, and the accepted methods of performing landscape and parks maintenance.
- Prepares, oversees, and inspects in-house and contract work for compliance with policies, procedures, plans, specifications, and for quality and safety standards.
- Assists with the development of long-range preventative maintenance programs.
- Assists with bid specifications for ongoing maintenance contracts and assigned capital projects.
- Directs and participates in the maintenance and preparation of athletic fields per standing contracts and/or MOU's; assists with negotiating new contracts and MOU's.

- Directs and participates in the planting and caring of plants, trees, and shrubs, and in the watering, fertilizing, and maintenance of lawn areas; establishes and implements procedures and standards for the water conservation program, and pesticide/herbicide safety projects.
- Inspects parks, recreation areas, and buildings for maintenance needs and safety concerns.
- Prepares requisitions for materials, supplies, and equipment.
- Prepares and maintains a variety of records and reports.
- Coordinates services and activities with other departments, divisions, governmental agencies, and outside organizations as appropriate.
- Assists management with the development of programs and facilities.
- Assists with developing policies, procedures, standards, and ordinances to ensure compliance with applicable laws and regulations.
- Interprets and advises staff on applicable laws, regulations, policies, and procedures.
- Participates in professional committees, conferences, workshops, and classes to improve job knowledge and supervisory skills.
- Performs related work as assigned.
